.... to lover's?

I fell i love with evereything about you.
it is more than the way you make me
feel or the way you look. It is the way
you set the world when ir was nothing
but darkness. The way your smile
creates a symphony of love inside my
heart. You are the most amazing girl i'd
ever met and still, you don't belive me
when i say how speacial you are, I
know you probably never will, but even
then, I'll remind you everyday how
beautiful you are, just how much you
glows. **I love you more than you'll ever
